

Worksheet

Forest Ravens

(In answering this sheet, refer to the Forest Raven Species Sheet and Issues Sheet No. 4)

1. Forest Ravens perform a much needed 'service'. What is that service?

2. Ravens and crows are very intelligent. What are some things that they do that demonstrate their intelligence to us?

3. What type of food do Ravens eat? List some examples

4. Briefly describe the nest-making process of a Forest Raven pair:

5. Forest Ravens are misunderstood, and under threat. Why are people a threat to Ravens?

6. Ravens make a range of sounds to communicate with each other. Can you make the sound of a raven? Next time you hear ravens calling, see if you can pick the different sounds they are making.
